Death Benefit in installment Payment option (Available under Life & ROP variants)

At inception, you will have the option to choose how your nominee will receive the Death Benefit in any of the 3 ways mentioned below:

- a) 100% of the benefit in a lump-sum, which is the default option in the product
- b) X% of the benefit in a lump-sum and the remaining as monthly income instalments, where, X% = 10% to 90% (as per your choice).
- c) 100% of the benefit as monthly income instalments
- The choice and the percentage have to be chosen at inception of the policy itself.
- The instalments will be paid monthly throughout the instalment period of 5, 10, 20, 30 or 40 years, as chosen by you at policy inception. The first monthly instalment will be due on the date of the life assured.

- There will be discount in premium for the proportion of death benefit taken in instalment is as given below:

Instalment Period (years)	5	10	20	30	40
Premium discount	5%	10%	20%	30%	40%

The interest rate used to arrive at this discount is 5% p.a.

- Once chosen, it cannot be changed later during the policy term.

Note:

- Even after the instalments have commenced, the nominee will have the option to convert all future monthly instalments into a lump-sum, which will be calculated as the present value of future instalments at a discounted rate of the 5%

Maturity Benefit in Installments (Under ROP variant)

At the inception of the policy, you will have the option to take the Maturity Benefit in yearly instalments. Once chosen, it cannot be changed later during the policy term.

- At Maturity, the Maturity Benefit payable shall be paid out in yearly instalments over the next five (5) years.
- The amount of each instalment will be $[120\% \times \text{Maturity Benefit} / 5]$ and will be paid out yearly. The first instalment will start on the date of maturity.

Auto Cover Continuance Benefit (Under Life & ROP variants)

You will have the option to defer the premiums due for a period of up to 12 months from the due date, while maintaining the full risk cover under the base plan and attached riders, if any. There is no additional premium applicable for this feature. In the event of a claim during this period, sum assured will be payable after deducting the unpaid premiums, if any, as on date of death or other insured event covered under base product and attached riders.

At the end of Auto Cover Continuance Benefit period, you will be required to pay the outstanding premium along with the next due premium. If the outstanding premium and the next due premium by the end of the grace period (for the next due premium) are not paid, the policy will be converted into a lapsed/paid-up policy, as applicable.

No additional premium is required to be paid for the option.

Conditions for Auto Cover Continuance Benefit:

- This option can be taken provided at least 3 policy years have been completed and provided all due premiums have been paid, and the policy is in-force.
- You can avail this benefit multiple times during the premium payment term with a gap of at least 5 policy years from the expiry date of previous Auto Cover Continuance Benefit.

Terms & Conditions

Free Look Period

You will have a free look period of thirty (30) days beginning from the date of receipt of the Policy Document, whether received electronically or otherwise, to review the terms and conditions of the policy. In the event You disagree to any of the policy terms or conditions, or otherwise and have not made any claim, you shall have the option to return the policy to Us for cancellation, stating the reasons for the same. Irrespective of the reasons mentioned, you shall be entitled to a refund of the premium paid subject only to a deduction of a proportionate risk premium for the period of cover and the expenses, if any, incurred by the insurer on medical examination of the proposer and stamp duty charges. The request for cancellation of the policy during free look period shall be processed and the premiums shall be refunded within 7 days of receipt of such request.

Grace Period

If you have failed to make payment of the premium by the due date specified, you will be allowed a grace period of thirty (30) days for premium payment frequencies other than monthly and fifteen (15) days for monthly frequency to pay the due premium without any penalty or late fee.

During the grace period, you will be covered for the contingent events & on occurrence of the contingent events during the grace period when the due premium up to the date of the contingent event was not paid, the same will be deducted from the benefit payable. On the occurrence of the contingent event during the Grace Period, the due-but-unpaid premium will be deducted from the benefit payable.

What happens if you are unable to pay your premiums?

For Life & Easy variants:

If premiums are not paid by the end of the grace period, the policy will, immediately & automatically, lapse at the expiry of the grace period. No paid up value is available under the policy.

For ROP variant:

1. If at least one full year's premium isn't paid, the policy lapses automatically after the grace period with no benefits.
2. If at least one full year's premium is paid, the policy converts to a paid-up policy after the grace period without lapsing.
 - The Paid-up Sum Assured, Paid-up Sum Assured on Death and Paid-up Sum Assured on TI are obtained by multiplying the Sum Assured, Sum Assured on Death and Sum Assured on TI, respectively, by a corresponding factor equal to the proportion of the number of premiums paid to the total number of premiums payable under the policy; and the paid-up sum assured on maturity will be based on Total Premiums Paid till date of paid-up.
 - At no time, the Death Benefit under a paid-up policy will be less than 105% of the Total Premiums Paid till date of paid-up
 - Paid-up sum assured on maturity will be equal to Total Premiums paid till date of paid-up.
3. You can revive a lapsed or paid-up policy within five years from the first unpaid premium's due date, subject to conditions mentioned in Revival below.

Revival

A policy, which has lapsed for non-payment of premium after the grace period, may be revived, subject to the following conditions:

- i. The application for revival is made within five (5) years from the due date of the first unpaid premium (from the date at which the premium was due at the beginning of cover continuance period, if applicable) but before the end of the policy term.
- ii. All the due premiums together with applicable interest, at such rate as decided by the Company from time to time, along with applicable taxes are paid. The current applicable revival interest is 9% p.a. compounded half-yearly.
- iii. You, at your own expense, agree to undergo medical examination and provide evidence of continuity of insurability.
- iv. The revival of the policy may be on terms different from those applicable to the policy before it lapsed/became paid-up, based on prevailing Board approved underwriting policy framed from time to time.

- v. The Company may revive or refuse to revive the policy based on the prevailing Board approved underwriting policy (BAUP) of the Company. If the policy is refused revival based on the Board approved underwriting policy (BAUP), the Company will refund the amount deposited for the purposes of revival of the policy.
- vi. The revival will take effect only once it is specifically communicated by the company to you.
- vii. The company may refuse to revive the policy, based on the board approved underwriting guidelines.
- viii. On revival, the Sum Assured, Sum Assured on Death and Sum Assured on Maturity, as applicable, under the Policy which prevailed before the date of latest lapse/paid-up will be reinstated.
- ix. The current applicable revival interest is 9.0 % p.a. compounded half- yearly.

Note: The revival interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The revival interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Exclusions

In case of your death due to suicide within 12 months from the date of commencement of risk or the date of the latest revival of your policy, whichever is later, then your nominee or beneficiary shall be entitled to receive, the higher of 80% of the total premiums paid or the Surrender value / Termination value as on the date of death, provided the policy is in force. There are no other exclusions in death benefit other than the suicide clause.

Policy Loan

For Life & Easy variants: Policy loan feature is not available.

For ROP variant: Provided the policy has acquired surrender value, during the policy term, you will have the option to take policy loan, subject to a maximum limit of 50% of the surrender value available under the policy.

- a) Loan interest rate applicable for the loan will be as decided by the company from time-to-time. Currently the rate of interest for loan is 9% p.a. compounding half-yearly.
- b) On death, maturity or surrender, the outstanding policy loan plus interest, as on the date of death / maturity/surrender, will be deducted from the death /maturity/surrender value payable.
- c) The policy will be foreclosed under the following circumstances:
 - For policies that are not in-force or fully paid-up, if the loan and interest are more than the surrender value, the company will give you a 30-day notice to pay, or the policy will be canceled.
 - After cancellation, any surrender value will go toward paying off the loan and interest.
 - In-force or fully paid-up policies cannot be canceled just because the loan amount is higher than the surrender value.

Note: The loan interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The loan interest rate will be reviewed on an annual basis as on 1st April every financial year. The revised interest rate shall be applicable to both existing loans and to new loans offered. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Termination of the Policy

The risk cover under the Policy will terminate, immediately and automatically, on the earliest occurrence of the following events.

- a) On the expiry of the Revival Period.
- b) On the date of lapse.
- c) On the death, if Death Benefit in lump sum has been chosen in the Policy.
- d) On the payment of the last Death Benefit Instalment, if Death Benefit is Instalments has been chosen under the Policy.
